Mike Lowry and Lois North
Charter Review Commission
701 5th Ave. Suite 3210
Seattle, WA 98104

Mr. Lowry and Ms. North:

Issaquah Environmental Council supports the proposed Open Space Amendment to King County's Charter. We continue to be concerned about the breadth of the exemptions allowed but see this as necessary protection for very important parcels.

Thanks for your efforts,
Barbara Shelton, secretary
Issaquah Environmental Council
